How to talk about the Award

The Duke of Edinburgh's International Award is a global framework for non-formal education and learning, which challenges young people to dream big, celebrate their achievements and make a difference in their world. Through developing transferable skills, increasing their fitness levels, cultivating a sense of adventure and volunteering in their community, the Award helps young people to find their purpose, passion and place in the world. It operates in more than 130 countries and territories, helping to inspire millions of young people to take control and make their own choices.

Where to use the Logo

The ‘Proud to deliver’ logo (available in five languages) must be represented on at least one web page (if your IAC has a website) with a link back to the Foundation’s website: www.intaward.org.
